

Seniors,

On May 25th, we are going to go to our vertical team elementary schools for a graduation walk! The idea is to have you all dress in your caps and gowns and walk the halls of your previous elementary schools. The staff and students at the elementary school will be out in the hallways clapping for you. It will be good for the young students to see what they have to look forward to and for you all to see how far you have come.

You can get an idea of what this looks like here: <https://www.youtube.com/watch?v=noS7xrGMExU>

Here are the answers to some questions you may have:

When?

This will happen on Friday, May 25th while the underclassmen are taking their finals. We will leave from the bus loop at 9:30am, so please arrive by 9:15am.

What schools are we going to?

We are going to Joslin, Galindo, St Elmo, Cunningham, Odom, Pleasant Hill, Williams, and Boone. We are going to these schools because they are our vertical team schools.

Which school will I go to?

If you went to one of the schools listed above, you have been assigned to that school. If you went to more than one, you have been assigned to the one that you went to in 5th grade. If you did not go to one of our vertical team schools, you have been randomly placed to attend a school.

Do I need permission to go?

Yes! You/your parent needs to fill out a permission slip in order to attend! Permission slips can be found online or get one from Uhler's office.

What do I wear?

Wear your regular clothes, but bring your cap/gown with you. You will put it on to walk through the school(s).

What if I decide not to go?

School is mandatory on Friday, May 25th and attendance will be taken. Students who choose not to participate will be placed into a study hall area for the morning. We highly encourage all seniors to attend – it will be a lot of fun!

What happens after it?

When we return, the seniors will be provided lunch at Garrison Park.
