

# Math Course Sequence FlowChart, 2018-19

AR - Students who fail Algebra I and the EOC, they will retake Algebra I and take AR

AR - is the other block with Algebra I (instead of S Learning) for those students who did not pass Alg I

AQR - is intended as an alternate 4th year math, must come after Algebra II

\*\* math/science related, may be encouraged to take Stats (and do not need Calculus fro Collge

TSI - Seniors who have not passed the TSI

When students complete choice sheets, if a student requests a Pre-AP math, counselors will be instructed to get teacher approval or verify high EOC scores and/or A-B in the course

#### Algebra I Failures

\*Failed Class & EOC - Retake Algebra I and Algebraic Reasoning

\*Failed Class & Passed EOC - JumpStart/Twilight/Delta for Algebra I and Algebra II

\*Failed EOC & Passed Class - Algebra II

#### Algebra II Failures

\*Did not pass EOC - Retake Algebra II and next math course

\*Jumpstart/Twilight/Delta - to recover Algebra II and double up on math course
