Call to order 5:31

Citizen Communications

Planning Realtor tour – Focusing on what makes Crockett Special, highlight programs – Tour after gala

Highlight trade in programs- hospitality and culinary at Travis, etc. Bring in community members

Girls BBall won playoff for the first time in CH history!

December minutes are approved with revisions

Attendance – Drop of 1.2% in attendance during the third 6 weeks of 2018/2019 compared to 2017/2018

Overall, still ahead over last year, but concern is that momentum is being lost. Tardy policies are being addressed as they can sometimes cause attendance issues. Policy is changing slightly. Students with habit of tardiness will be pulled into ISS, also looking at lunch detention, Saturday School.

Large issue with students being outside of class. Students need a hall pass or will be escorted to ISS.

FIT is always a closed period.

Late students must go to attendance. Students need to be checked out by parents if they are leaving early.

Only 12<sup>th</sup> graders can leave during lunch. Could really use volunteers for lunch period.

Absence policies are defined. Credit loss is defined.

Driver's license is provided only to students with 90% attendance rate or higher.

Implement something like Dads.Of.Great.Students?

Mid Year Review

Core Vision is making a noticeable difference. Improving student teacher communications.

170 ECHS students taking ACC classes

---

CHS awarded 2 distinction designations
