

Are you interested in a career in one of the nation's fastest-growing industries and being a part of Austin's future?

Crockett Early College High School offers a state-of-the-art facility for students interested in pursuing careers in the architecture and construction field.

The 9,200sq.ft. Construction Technology Building enables students to use professional equipment and take AISD and Austin Community College (ACC) construction courses providing learning opportunities in:

- carpentry
- construction methods
- mechanical
- plumbing and electrical fields
- woodworking
- blueprint reading
- cost estimating
- material management
- project management

Students will be ready to enter the competitive construction job market as cost estimators or construction schedulers and will be capable of building structures and managing construction processes.

Students will complete the required courses to graduate from high school, in addition to up to 60 credits (or an associate degree) completely free. There is no cost for tuition, transportation or textbooks for ACC classes, saving students and their families thousands of dollars.

Certifications

Academy graduates have the opportunity to earn, alongside their high school diploma, each of the following:

- OSHA-10 and OSHA-30 (Occupational Safety and Health) certificates
- NCCER Core and NCCER Carpentry Fundamentals (National Center for Construction Education and Research) certifications
- ACC Carpentry Specialization Level 1 Certificate
- Associate of Applied Science degree in Construction Management

Eligibility

Rising 8th graders and current freshmen and sophomores at the start of the program. Students must maintain an ACC GPA of 2.00 or higher, and earn a C or higher in all ACC classes.

Industry Partners include

- Home Builders Association of Greater Austin
- Independent Electrical Contractors, Inc.
- Marek Brothers
- Ryan Companies U.S, Inc.
- National Association of Women in Construction
- Texas Carpenters and Millwrights Training Trust Fund
- UA Local 286 Plumbers and Pipefitters

Students who are in another school's attendance zone, or who live in a neighboring school districts, can apply for a transfer into Crockett ECHS Construction Program. Please visit austinisd.org/transfer for information.
